

The screenshot shows an Excel spreadsheet with the following structure:

- Form Section (Rows 1-6):**
  - Row 1: Blank header row.
  - Row 2: Cell A2 contains "Επιλέξτε χώρα". Cell B2 has a dropdown menu (indicated by a small square) and is highlighted with a red box. Cell C2 contains "[1]".
  - Row 3: Blank row.
  - Row 4: Blank row.
  - Row 5: Cell A5 contains "Όνομα χώρας (Eurostat)". Cell B5 has a text input field (indicated by a small square) and is highlighted with a red box. Cell C5 contains "[2]".
  - Row 6: Blank row.
- Data Section (Rows 8-10):**
  - Row 8: Cell A8 contains "ΑΕΠ:". Cells B8 through J8 contain years from 2007 to 2015 respectively, each with a green triangle icon indicating a chart series.
  - Row 9: Cells B9 through J9 are blank, corresponding to the years above.
  - Row 10: Cell A10 contains "σε ευρώ:". Cells B10 through J10 are blank.
